Preventive/Scheduled Maintenance & Inspection Contract #1
For Generac Air-Cooled Generators

GENERAC

Authorized Dealer – Sales & Service

Scope of Work and General Terms

This is a [one/two]-year Preventive Maintenance and Inspection Contract for Generac air-cooled generators. The total cost of the contract is [\$_____], the annual cost of the contract is [\$_____], and the first year is payable at the time of signing the contract. [The cost of the second year is payable upon the first anniversary of the contract.]

Walsh Electric will [once/twice] annually schedule and perform the Preventive Maintenance activities listed below:

Preventive Maintenance & Inspection (Annual or Semi-Annual Maintenance) consists of:

- Replace engine oil filter(s).
- Change engine oil.
- Replace air filter(s).
- Inspect and clean cooling fins.
- Inspect, test and service batteries, cables and terminals.
- Check and adjust charging system.
- Check starter and starting system.
- Replace spark plugs.
- Inspect, clean, adjust and lubricate the generator as required.
- Test the exercise system and reset to owner's schedule.
- Start and run system.

Preventive Maintenance & Inspection (Annual Maintenance) consists of:

- Inspect, clean, test and adjust the transfer switch (with customer authorization).
- Transfer load to system (with customer authorization.)

This agreement will remain in force for the duration of the contract period. At that time, a new contract may be signed or cancelled by either party.

Walsh Electric warrants its work to be free of defects in material and workmanship for a period of 30 days from the date of service or repair. This warranty is limited to failure as a result of our workmanship and does not include failures resulting from improper or unauthorized installation, misuse, negligence, accident, overloading, over speeding, fire, flood, vandalism, theft, repairs by others or any other act beyond the control of Walsh Electric.

Written or verbal acceptance of this agreement, including use of Walsh Electric for normal and periodic maintenance, is authorization for Walsh Electric to use reasonable methods such as telephone or electronic mail to schedule maintenance, inspections or repairs.

I agree to the terms of the above Preventive Maintenance & Inspection Contract for Air-Cooled Generators for the following generator:
